MONSTER POWERNET™

The Monster PowerNet™ 200 brings a high speed Ethernet connection to any room in your home. It instantly turns your home's existing electrical wiring into a high speed whole-home network.

Page 2

MONSTER POWER®

Monster PowerCenter products with Clean Power Stage 2 and above feature isolated Clean Power filters. These isolated Clean Power filters are specifically engineered for video, analog audio, digital, and ultra high-current AV components.

Page 3-5

MONSTER® ADVANCED HDMI™

"Only Monster offers a full performance and price range of HDMI. Now consumers have a choice, from basic level HDMI performance at $39.00, to the highest performance Speed Rated HDMI cables that offer our Cable for Life guarantee.

Page 6-7

MONSTER®

Artists and producers work hard in the studio perfecting their sound. But people can't really hear it with normal headphones. Most headphones can't handle the bass, the detail, the dynamics. Bottom line, the music doesn't move you. With Beats, people are going to hear what the artists hear, and listen to the music the way they should: the way I do."

Page 14-16

MONSTER

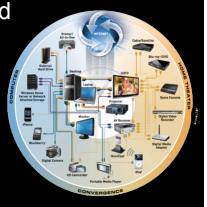
Audio And Video Cables

Monster's audio cables increase the clarity, dynamics and power of the audio signals that travel through them. Monster video cables deliver the sharpest, clearest picture possible with naturally vivid color from traditional and digital television, projectors, home theatre and satellite systems.

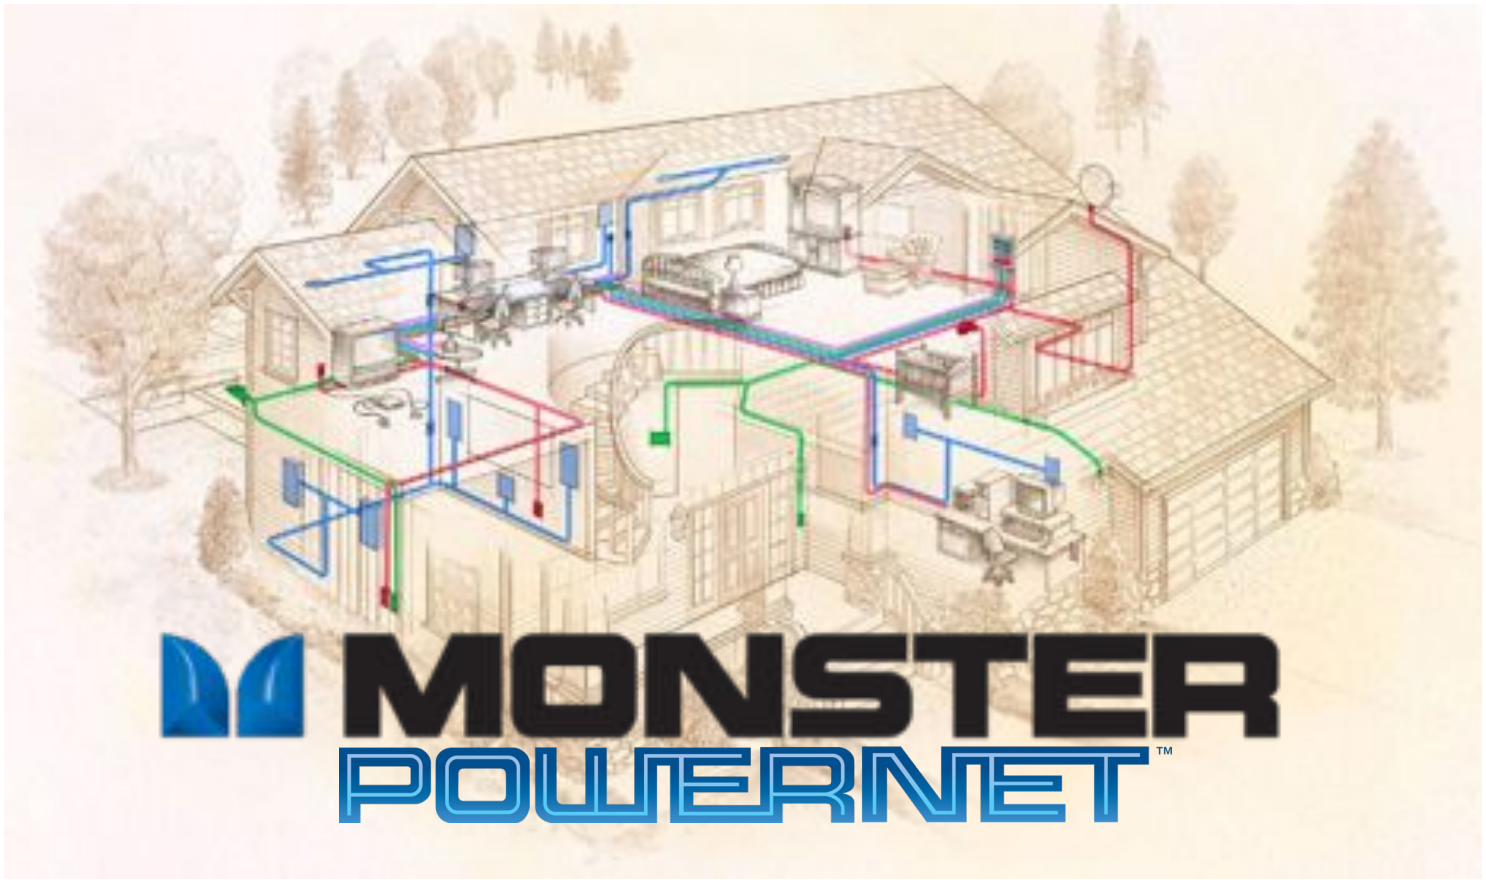
Page 8-10

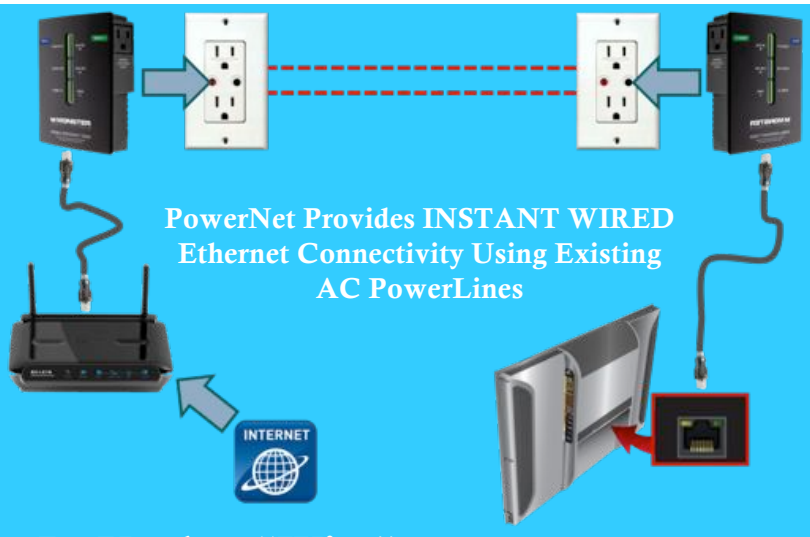
MONSTER DIGITAL LIFE®

Monster Digital Life is about connecting all the digital devices we've come to depend on. Everything including your cable TV/Satellite boxes, gaming consoles, Apple TV and Ruko can be connected. Monster digital life let's that happen with absolutely no loss, delivering the best picture and sound.



Page 11-13





Can Be Used to "Wire" the Entire Home With Ethernet: All Without Running Any New Wire

DIGITAL™ SALES GROUP

Monster PLN100

•Easy Plug and Play – No Set up,
Full AES Security
• Up to 200 Mbps Speed
• Slim White Profile for Open Placement in a Room
• 1 Ethernet Outlet

Single & Dual packs available

Monster PLN200

•Monster Power Protection with Surge and 2 Monster Clean Power Outlets
•Faster Performance with PLC Clean Power

Single & Dual packs available

Monster PLN300

• 4 Ethernet Ports Detachable Rotating Power Cord Convenient Placement
•Wall Mountable

MONSTER POWER
The World's Most Advanced Power Conditioning and Power Protection
CLEAN POWER
Patented Monster Clean Power
Your home's electricity is full of noise and interference. Patented Monster Clean Power™ eliminates the effects of "dirty power," providing you better picture and sound.
Advanced Power Protection
Protect your valuable home theater investment! Advanced Monster PowerCenters isolate delicate audio and video electronics from dangerous power surges and spikes.
DIGITAL SALES GROUP

Monster HD IR 2550

• IR reception and distribution technology relays remote control signals to AV components.
• Monster® HD Clean Power™ Stage 2 circuitry filter dramatically reduces electronic noise.
• T2™ automatic disconnect/reconnect surge protection circuitry.
• Patented Tri-Mode® surge protection automatically disconnects both line and neutral power lines and sounds an alarm.
• 11 surge-protected, color-coded AC

Monster HDP 2500

• Monster® HD Clean Power™ Stage 2 circuitry filter dramatically reduces electronic noise.
• T2™ automatic disconnect/reconnect surge protection circuitry.
• Patented Tri-Mode® surge protection automatically disconnects both line and neutral power lines and sounds an alarm.
• 11 surge-protected, color-coded AC outlets.
• 2 pair ultra-low loss 2.8 GHz satellite connections.

Monster HDP 1800

• Monster® HD Clean Power™ Stage 2 v.2.1 circuitry filter dramatically reduces electronic noise.
• T2™ automatic disconnect/reconnect surge protection circuitry.
• Patented Tri-Mode® surge protection automatically disconnects both line and neutral power lines and sounds an alarm.
• 8 surge-protected, color-coded AC outlets.
• 1 pair ultra-low loss 2.8 GHz satellite connection.

Monster HDP900G

• Monster GreenPower™ stops standby mode energy waste and saves money
• Exclusive Dual Mode Plus™ automatically disconnects and sounds an alarm
• Patented HD Clean Power™ Stage 1 filtering rejects noise and interference
• Surge protected coax, phone, & network connections
• 8 surge protected, color-coded AC power outlets

Monster HDP850G

• Monster GreenPower™ stops standby mode energy waste and saves money
• Exclusive Dual Mode Plus™ automatically disconnects and sounds an alarm • Patented HD Clean Power™ Stage 1 filtering rejects noise and interference
• Surge protected coaxial connections
• 8 surge protected, color-coded AC power outlets

Monster HDP650

• Monster® HD Clean Power™ Stage 1 circuitry filter dramatically reduces electronic noise.
• Advanced Dual Mode Plus™ surge protection automatically disconnects your AV equipment and sounds an alarm.
• 6 ultra-wide spaced, surge protected AC outlets.
• Color-coded outlets are backlit for easy identification with matching cord labels.

Monster HDP1400G

- Monster Green Power Energy Savings system which includes RF remote control
- Watt meter shows power being consumed
- Monster PowerNet PLC compliant outlets for use in a PowerNet network
- Clean Power Stage 1 HD Filtering for Better Picture and Sound
- Patented T2 Auto disconnect/reconnect circuitry

Monster HTS350

• Dual Mode Plus surge protection automatically disconnects and sounds an alarm

• HD Clean Power Stage 1 filters electrical noise and interference for better performance

• 2 side-entry outlets for easy installation behind furniture

• 1 pair coax connections for cable, satellite, or antenna lines

Monster HTFS450

• Monster High Definition Clean Power™ Stage 1 circuitry filter dramatically reduces electronic noise

• Dual Mode Plus® surge protection automatically disconnects AV components

• SurgeGuard™dissipates harmful power surges with 4320 Joules of protection

• 2 surge-protected, color-coded AC outlets

Monster HTUPS3700

• Provides battery backup power to protect AV equipment during power outages for up to 5 hours*
• Monster Countdown timer displays remaining battery backup time in minutes
• Exclusive Tri-Mode® and T2™ power protection against surges and spikes
• Patented Monster HD Clean Power™ Stage 3 filtering for optimum AV performance
• Automatic Voltage Regulation maintains safe voltage range

Monster HTUPS2700

• Patented HD CleanPower stage 2 for better picture and sound
• T2 automatic disconnect/reconnect surge protection circuitry
• Automatic voltage regulation improves component performance and reduces wear
• Compatible with Power Line Communication home networks
• 680 VA UPS battery back-up maintains power during blackouts up to 1 hour

Monster HTBX100

• Expands Monster HTUPS 2700 backup capacity up to 4 hours* (dependent on load)
• Maintains critical home theater setting during long blackouts
• Keep DVR, TiVo®, cable box, satellite receiver, etc. ready to record scheduled shows
• Battery runtime LED bar indicates battery charge level and adds to remaining CountDown™ time on HTUPS 2700
• Battery check LED indicates the battery needs to be replaced

Monster PRT 400

• 540 joules of protection.
• Monster Fireproof power protection.
• Dual Mode protection technology.
• 3 ft. power cord.
• Durable case for rugged use.
• Safety agency approved.
• Genuine brass used inside.
• $100,000 connected equipment warranty.

Monster PRT500

• 540 joules of protection.
• Monster Fireproof power protection.
• Dual Mode Plus protection technology.
• 6 ft. power cord.
• Durable case for rugged use.
• Safety agency approved.
• Genuine brass used inside.
• $200,000 connected equipment warranty

Monster AV625

• 7 surge-protected AC outlets
• Dual Mode PlusTM power protection automatically disconnects from dangerous power conditions and sounds and an alarm
• Ceramic-encased MOVs reduce risk of fire caused by power surges
• 1080 Joules of protection
• 1 pair low-loss protected coax connections for cable TV/antenna
• $300,000 Connected Equipment Warranty

Monster AV750

• 1440 joules of protection.
• Monster Fireproof power protection.
• Dual Mode Plus protection technology.
• 1 pair high bandwidth coax.
• 1 pair protected RJ11 phone ports with splitter.
• Monster PowerLine 100 6 foot.
• Genuine brass used inside.
• $400,000 connected equipment warranty

Monster AV775G

• 7 surge-protected AC outlets
• Monster GreenPowerTM automatically switches off outlets to stop standby energy waste
• Dual Mode PlusTM power protection power
• Ceramic-encased MOVs reduce risk of fire caused by power surges
• 2160 Joules of protection
• 1 pair low-loss protected coax connections for
• 1 wide-spaced outlet fits bulky power charger without blocking adjacent outlets

Monster HT800G

• 8 surge-protected AC outlets
• Monster GreenPowerTM automatically switches off outlets to stop standby energy waste
• Clean Power® Stage 1 noise filtration
• Ceramic-encased MOVs reduce risk of fire caused by power surges
• 2160 Joules of protection
• 1 pair low-loss protected coax connections
• 1 pair protected phone connections
• 3 wide-spaced outlets fit bulky power chargers

Monster HTS300

• Monster Clean Power™ Stage 1 circuitry filter dramatically reduces electronic noise.
• Three side-entry outlets for AC protection
• One pair coaxial connections for cable TV/HDTV protection, one pair phone connections for satellite/DVR/phone protection.
• Dual Mode Plus power protection circuitry with audible alarm and auto disconnect.

.

Monster HTS400

• Monster Clean PowerTM Stage 1 v2.0 filter to provide noise-free power to your sensitive electronic components.
• $50,000 connected equipment warranty and lifetime PowerCenterTM product warranty.
• 3 coaxial outlets for CATV, Satellite, and UHF/VHF provide full surge protection and ultra-low insertion loss.
• One phone line for phone or pay-per-view hookup with gas surge arrestor for maximum protection.

Monster AV800

• Color-coded, labeled outlets and matching cord labels for easy hookup.
• 8 ft. Monster AC power cable with FlatProfile™ right angle plug provides flexibility for installations.
• Eight outlets total, including three spaced for use with AC adapter transformers.
• Maximum conductivity 24k gold contact, grounded right angle plug lets furniture hug walls.

Cable for Life
Cables that will perform with future components or be upgraded free.
CABLE FOR LIFE
MONSTER ULTIMATE HIGH SPEED

Monster M1000

• Ultimate-high speed rated cable delivers digital video and audio at speeds in excess of 17.8 Gbps
• Cable For Life™ performance guarantee
• Transfers dual 1080p Full HD video streams for advanced 3D movies and games
• Reproduces all the colors your camera and camcorder can capture on your HDTV
• Support for Audio Return Channel enables better sound with fewer cables

M SERIES by MONSTER CABLE
Cable for Life
Cables that will perform with future components or be upgraded free.
CABLE FOR LIFE
MONSTER ULTRA-HIGH SPEED >15.8 Gbps

Monster M850

• For those who seek excellence in high definition home theater entertainment with current and next generation equipment
• Reproduces dual 1080p Full HD video streams for advanced 3D movies and games
• 24k gold contacts tested to withstand over 10,000 insertions to ensure maximum signal integrity
• Duraflex® protective jacket enables cable to resist extreme temperatures and over 4,000 bends

Monster HDMI 1000 HD

• Ultimate-high speed rated
• "Cable For Life" performance guarantee
• For those who demand the best in high definition home theater - now and in the future
• Ultimate 1080p Full HD picture & sound from the largest HDTVs, advanced projectors, & digital AV sources
• Delivers up to 7.1 lossless digital surround sound for the ultimate movie, music, and game experience

Monster HDMI 700 HD

• Corrosion resistant 24k gold contacts
• Gold plated heavy duty metal strain relief and connector shield
• Nitrogen injected gas dielectric for maximum signal strength
• High performance from new generation 1080p HDTVs, DVD players, and HD cable/satellite receivers

Monster HDMI 500 HD

•High density triple-layer shielding for maximum rejection of RFI and EMI
• Corrosion resistant 24k gold contacts
• For 1080p TVs and legacy 720p/1080i HDTVs, DVD players, cable/satellite receivers
• High definition connection for HDTV buyers on a budget
• Standard speed rated

Monster Super Thin

• Transfers 1080p HD from PCs, laptops, and camcorders to TVs & computer monitors at High Speed (10.2 Gbps)
• 55% thinner than our comparable High Speed cables,
• Ultra flexible, bends at near right angles for no-hassle hookup in tight spaces
• Connect with confidence: LED indicates HDMI signal status at all times

Monster HDMI Swivel Adapter

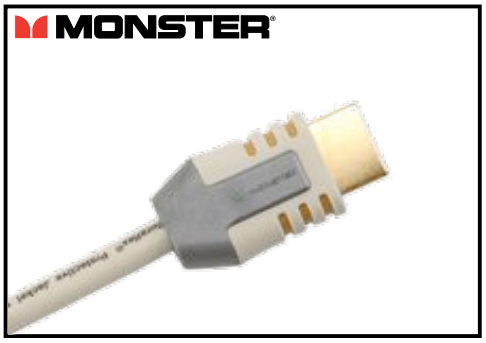
• The Ultimate In Versatility
• Adapt To Any Angle
• 360 Degrees x 180 Degrees of Flexibility

Monster Blu-Ray 900

• Designed for maximum performance of Blu-ray™ Disc players
• Advanced-high speed data transfer rate of 6.68 Gbps
• For 120Hz displays with 12-Bit color.
• All-in-one digital AV cable for true high definition 1080p picture with Deep Color
• Delivers up to lossless 7.1 surround sound

Monster Blu-Ray 1200

• Get maximum performance for the ultimate home theater Blu-ray Disc™ experience
• For 240Hz displays with 14-bit color.
• Ultra-high speed HDMI cable with10.2 Gbps data rate
• Delivers 1080p Full HD picture with Deep Color and lossless 7.1 surround sound
• High-density triple-layer shielding rejects noise and interference



Monster Flat Screan HDMI

• Cable is Navajo White, with paintable jacket.
• Ultra-slim design
• Specially engineered to complement flatscreen LCD and plasma displays.
• Delivers maximum high-definition video (up to 1080p) and multi-channel audio through a single cable.

Monster Just Hook It Up

• The best all-in-one HD video and digital audio cable for easy hookup of your HDTV and home theater
• Delivers all-digital high resolution 1080p full HD video .
• Carries 5.1 and 7.1 digital surround sound for thrilling theater experience at home
• Connects your HDTV to DVD players, AV receivers, HD cable boxes, and more

MONSTER

Audio Video Cables & Accessories

DIGITAL™ SALES GROUP

Monster M1000 Component Video Cable

The most advanced M Series® Component Video Cable for serious movie enthusiasts who demand the best from their high-definition home theater. Features high-velocity silver-coated center conductors and ultra high-density quad-layer shielding for maximum high-definition video (up to 1080p) with optimum brightness and color saturation.

Monster M850 Component Video Cable

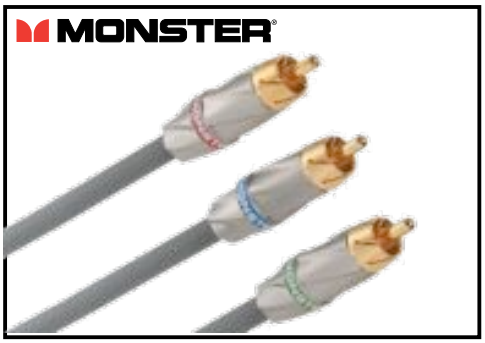
Premium Silver Video® cable with polished silver-coated center conductors and extra-protection dual-layer shielding for superior 720p/1080i high-definition video reproduction. Certified for performance by the Imaging Science Foundation, M850CV features large-gauge silver-coated conductors maximize frequency response and signal strength for deeply saturated blacks and brilliant natural color.

Monster M650 Component Video Cable

Ultra low-loss, high-definition video cable, delivering deep color and clarity at a price any home theater enthusiast can afford. Large-gauge, high-purity center conductors provide extended linear bandwidth out to 500 MHz for truly accurate video reproduction. Plus, a nitrogen gas-injected dielectric maximizes velocity of propagation for maximum signal strength. The result: a truly compelling visual experience from all your HD video sources.

Monster 700CV Component Video Cable

Ultra-high performance component video cable for stunning 720p/1080i High Definition video with vivid, natural color and lifelike detail. Equipped with advanced Monster® technologies, including 12-cut Turbine® connectors and nitrogen gas-injected dielectric, 700CV delivers rich blacks, razor-sharp definition, and vibrant color.



Monster 500CV Component Video Cable

Monster® Component Video 500CV's low-loss design optimizes signal transfer and frequency response for superior image clarity and color saturation every time you sit down to enjoy your HDTV or home theater. Heavy-duty shielding enhances rejection of interference, while an advanced gas-injected dielectric maximizes signal strength for optimum picture quality.

Monster 400CV Component Video Cable

Get a clear, bright picture from DVD players, cable/satellite receivers, and TVs with Component Video 400CV. Constructed with rugged Turbine® connectors, 24k gold contacts and dual-layer shielding for improved interference rejection. Experience stunning detail from 480p, 720p, or 1080i HDTV.

Monster M Series® High Performance Fiber Optic

When it comes to your home entertainment system, don't cut corners. Use only the highest performance components. The M Series® High Performance Fiber Optic Digital Cable is the digital cable for uncompromising audiophiles.

Monster M1000 Digital Coaxial

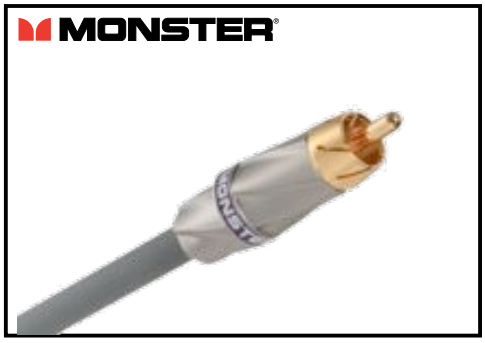
The most advanced M Series® Digital Coaxial Cable for serious movie and music enthusiasts who demand precision surround sound. Features high-velocity silver-coated conductor and premium ultra high-density quad-layer shielding for smooth, natural digital audio with pinpoint imaging, wider soundstage, and greater dynamic range.

Monster Fiber Optic 600dfo

High-performance digital audio cable for realistic Dolby® Digital or DTS® home theater experience. Superior graded-index fiber and 2-step precision polished terminations minimize signal dispersion and jitter for music and dialogue with exceptional clarity, detail, and dynamics.

Monster Fiber Optic 400dfo

Precision digital audio cable for clear, natural surround sound and stereo audio from CD/DVD players and cable/satellite receivers. Precision polished fiber terminations minimize internal reflections, and advanced InsuLight™ jacket minimizes digital jitter for accurate high-performance digital sound.



Monster Digital Coax 600dcx

Featuring advanced Monster technologies, 600DCX protects complex Dolby® Digital and DTS® audio bitstreams from electrical disturbances and interference for more accurate reproduction of dialogue, sound effects, and music. Experience more dynamic surround sound without digital jitter and distortion.

Monster Digital Coax 400dcx

Digital Coax 400DCX is a high performance digital audio coax cable, delivering clear, natural sound and exceptional value. Solid-core copper center conductor and 24k gold contacts enhance signal integrity for powerful sound effects and crystal-clear dialogue.

Monster® FlatScreen High Definition Performance Pack

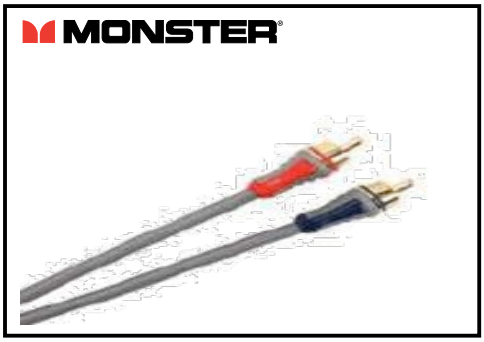
• Everything you need for a sharp, bright FlatScreen HDTV picture in any room
• FlatScreen HDMI Digital AV Cable delivers high definition video and multi-channel audio
• FlatScreen PowerProtect 200 protects your TV from harmful surges and spikes
• FlatScreen Cleaning Kit removes dust, dirt and fingerprints for a clearer, brighter picture

Monster® FlatScreen Clean Pack

• All-in-one flatscreen kit includes Monster Cleanview™ Cable Manager, Flatscreen PowerCenter™ 300, and ScreenClean™ TV Flatscreen Cleaning Kit
• Cleanview Cable Manager completely conceals cords and cables
• Eliminates need for costly in-wall wiring
• ScreenClean safely cleans displays without streaking or harming delicate screen coatings
•Ultra-soft MicroFiber™ cloth safely cleans without scratching

Monster® FlatScreen Component Video and Stereo

Delivers superior HDTV picture (up to 1080i) and full stereo sound in one cable.
• Ultra-slim design for easy cabling routing in tight spaces.
• Mini Stubby™ connector for low-profile, no-hassle hookup.
• Cable is Navajo White, with paintable jacket.



Monster® FlatScreen Stereo Audio Cable

Specially engineered to complement flatscreen LCD and plasma displays.
• Ultra-slim design for easy cable routing in tight spaces.
• Mini Stubby™ connector for low-profile, no-hassle hookup.
• Dual-layer shielding for maximum rejection of interference..

Monster® Flatscreen On-Wall Cable Management System

• Cuttable, paintable cable management strip for hiding all your cables.
• Attaches to walls with safe, non-permanent adhesive, or with standard drywall screws.
• Cable management strip features dual hidden channels, for separating power cords and A/V cables.
• Includes: 4x16” tracks and covers, 1x right-angle track and cover, 2x end covers, 20x cable clips, 20x drywall screws.

Monster® Cable•it™ Cable Management Kit

• Compact cable "wrap" for home theater, home office, home studio and or any room in the home
• Easy to install and can be cut to custom lengths
• Zip up all your cables in 3 easy steps
• Available in 3 sizes for both large and small projects

Subwoofer 600sw Ultra High Performance Cable

• Balanced construction for enhanced internal noise rejection & clearer, deeper bass.
• High & low frequency networks provide extended frequency response & improved sonic accuracy.
• Dual solid-core bass conductors specially designed to deliver deep, powerful bass while maintaining maximum clarity.
• Split-Tip™ center pin for maximum contact pressure & ultra-low signal distortion

M1000 High Performance Subwoofer Cable

Ultimate Subwoofer Cable with Exclusive QuadriPole® Construction and TriPole™ Solid Core Bass Conductors
12-Cut Turbine connector.
• Y-adapter included.
• Dual shield.
• Triple solid core bass conductors.
• Quadra-pole construction

M850 High Performance Subwoofer Cable

Premium subwoofer cable for serious movie and music enthusiasts who demand the best from their home theater music system. Features exclusive TriPole™ construction and high-density triple-layer shielding for optimum bass clarity and superior rejection of noise and hum.

High Performance VGA Monitor Cable

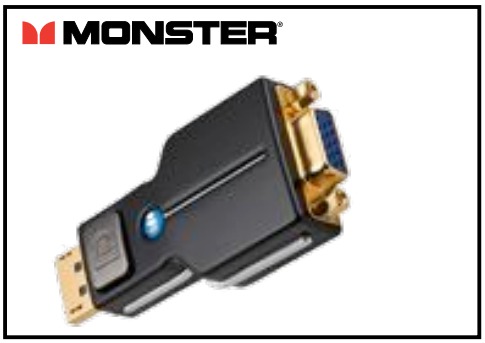
High-density triple-layer shielding for superior rejection of EM and RF interference.
• Low-loss Nitrogen gas-injected dielectric maximizes signal strength,
• 24k gold contacts maximizes signal transfer and corrosion resistance.
• Ultra-flexible, Duraflex® protective jacket for easy routing and installation in tight spaces .

High Performance DVI Monitor Cable - High Speed

• Advanced High Speed Rated: 12.5+ Gbps
• 24k gold contact connectors maximize signal transfer and corrosion resistance.
• High-density triple-layer shielding for superior rejection of EM and RF interference for more reliable data transfer.
• Low-loss Nitrogen gas-injected dielectric maximizes signal strength

High Performance DisplayPort Cables High Speed

• Independently verified advanced high speed data transfer rate of 14.8 Gbps
• Supports ultra-high definition resolutions and 120Hz+ monitor refresh rate
• Supports Dolby® and DTS-HDTM 5.1/7.1 uncompressed surround sound
• 24k gold connectors maximize signal transfers and corrosion resistance



DisplayPort to VGA Adapter

Display Port to VGA Adapter with Advanced Technologies for Enhanced Durability and Optimized Video Signal

- 24K Gold contacts for maximum signal transfer and corrosion resistance
- Compact size for easy laptop bag storage

DisplayPort to DVI Adapter

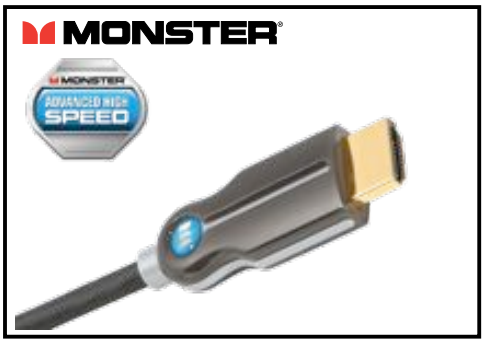
Display Port to DVI Adapter with Advanced Technologies for Enhanced Durability and Optimized Video Signal

- 24K Gold contacts for maximum signal transfer and corrosion resistance
- Compact size for easy laptop bag storage

DisplayPort to HDMI Adapter

Display Port to HDMI Adapter with Advanced Technologies for Enhanced Durability and Optimized Video Signal

- 24K Gold contacts for maximum signal transfer and corrosion resistance
- Compact size for easy laptop bag storage



Monster® High Performance HDMI Cables

The essential all-in-one digital connection for perfect high definition video to 1080p and beyond and lossless surround sound. Connect your computer to your home theater to enjoy movies, computer games, photos, and more on your HDTV's massive screen

Monster® High Performance HDMI Cables

All-in-one HD video and surround sound cable. Connect your computer to your home theater with HDMI™ and enjoy movies, computer games, photos, and more on your home theater's massive HD screen

Monster Camcorder Cables - Mini to Standard HDMI

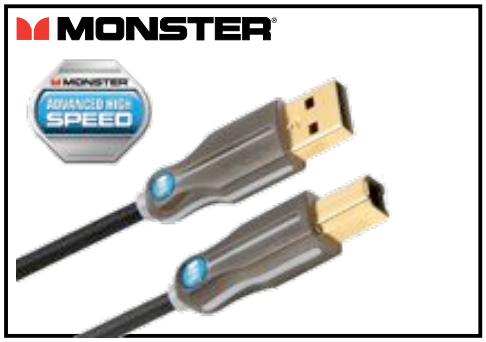
High speed mini HDMI™ to standard HDMI cable for connecting your HD camcorder to you HDTV, AV receiver or computer.

Monster SuperThin Mini HDMI

SuperThin Powered Mini HDMI cable that is ultra flexible and 55% thinner than comparable HDMI cables, making it perfect for easy storage in camcorder, camera or laptop bags. An individually calibrated processor in the HDMI connector pushes massive amounts of data through the tiny cable at fast 10.2 Gbps speeds.

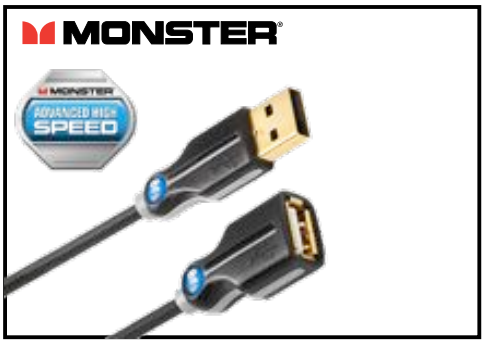
Monster Ethernet Cables - Advanced High Speed

Advanced High Speed Ethernet delivers blazing fast CAT 6 speed up to 10 Gbps, so your home entertainment network will be future ready for even higher definition movies, music, and games.



Monster High Performance USB Cable

Advanced High Speed USB Cables deliver up to 20% more power and 2.5 times the data bandwidth of other USB cables, even over the longest lengths. Provides all the power necessary for optimal charging and operation..



Monster USB Extension - High Speed

Monster® Advanced High Speed USB Xtend delivers up to 2.5 times the data bandwidth and 20% more power compared to other USB cables. With Monster USB Xtend, you'll know your cable will deliver the power and data your devices need, even over the longest USB connections.

Monster High Performance USB

High Speed USB delivers bandwidth greater than 1.5 times the highest industry specification, so you can depend on fast, reliable data transfer. Features rugged construction for the durability you need

Monster High Performance Mini USB

USB Mini is the universal connection by which almost all your portable electronics connect to your computer and charge. High Speed USB delivers bandwidth greater than 800 Mbps, 1.5 times the highest industry specification.

Monster® High Performance Micro USB

USB Micro is the universal connection for almost all of the today's ultra-compact portable electronics. Provides better conductivity for up to 30% faster charging than conventional cables, and allows faster data transfer

Monster GreenPower™ MDP 900

The Monster GreenPower™ MDP 900 PowerCenter™ protects your computer and the valuable data stored on it from common power surges and spikes. It also provides a high level of protection for high definition home theater components. Monster Dual Mode Plus™ surge protection automatically disconnects and sounds an alarm to protect your equipment. Monster GreenPower™ automatically shuts down outlets to stop energy waste.

Monster GreenPower™ MDP 800

The MDP 800 features PC Clean Power Stage 1 that filters electrical noise and interference for reliable data transfer as well as reduced wear on delicate computer circuitry. The MDP 800 also has surge protected coax, network, and phone connections.

Monster GreenPower™ MDP 650

The Monster® Digital PowerCenter™ MDP 650 protects your computer and the valuable data stored on it from common power surges and spikes. Monster GreenPower™ automatically shuts down outlets to stop energy waste and save some money. Monster Dual Mode Plus™ surge protection automatically disconnects and sounds an alarm to protect your equipment.

Monster Power® Digital PowerCenter™ MDP 700

The Monster MDP 700 Digital PowerCenter™ features exclusive Dual Mode Plus™ surge protection to protect your computer and the valuable data stored on it from common power surges and spikes. Surge protection is also provided for phone and Ethernet connections, for complete system protection

Monster Power® Digital PowerCenter™ MDP 600

The Monster MDP 600 Digital PowerCenter™ features exclusive Dual Mode Plus™ to protect your computer and the valuable data stored on it. When it senses dangerous power conditions, Dual Mode Plus automatically disconnects and sounds an alarm to protect your equipment against even the most powerful surges.

Monster Beats™ Studio

- Advanced driver design for precise audio clarity
- Extra large speaker drivers for super deep bass
- High powered digital amplifier plays hip hop, rock, R+B and more loud, without distortion
- Powered Isolation™ technology actively cuts external noise
- Spacious earcups with plush, breathable cushions for ultimate listening comfort
- Included iSonitalk™ cable with answer button

Monster Beats™ Tour In-Ear Headphones

- Patent pending tangle-free cable design resists snarls and knots
- Monster sound isolating eartips in multiple sizes provide a perfect fit to seal out external noise
- Low mass, wide-bandwidth driver for precision response
- Includes a rugged protective case for superior protection

Monster Beats™ Tour In-Ear Headphones with Control Talk

- Specially tuned for rich, dynamic sound
- Ergonomic design provides ultimate comfort and isolation.
- Compact design features tangle-free cable for accessibility.
- Low profile ControlTalk for full control of your listening experience when using your iPod 3GS
- Includes multiples sizes of single and triple layer ear tips, carry case.
